SUN GODDESS

Just because summer has come to an end, doesn't mean you should forego your sun protection. Flormar's BB spray mousse combines the benefits of a sunscreen with the coverage of foundation. An SPF of 25 means your skin is still protected, even while looking fabulous. Available in 12 different shades, from ivory-toned porcelain, to a deep and beautiful cocoa, it's easy to find the perfect shade to match every skin tone. The innovative foam technology with lotus and pomegranate extracts means the mousse provides hydration and radiance that lasts for up to 12 hours. No need for touch-ups.

AJ ARABIA BLACK III

From AJ Arabia comes Black III, the third creation in the Black Collection. Founder Ali Aljaberi has given the scent an intricate bottle and packaging inspired by the grandiose Sheikh Zayed Grand Mosque, mirroring the meticulous attributes of the mosque's arches and domes, thereby alluding to the exclusivity and exquisiteness of the fragrance. The unisex Black III is based on the thousand-year-old oriental journey of the oud, enticing the senses with top notes of bergamot and the fresh scent of spearmint. Heart notes of leather and drywood are followed by the sweet scents of its base notes: vanilla, moss, patchouli, and sandalwood. These different accords come together to create a strong and distinct scent.

SWEET DREAMS

The perfumer Alberto Morillas has created an eau de parfum that is a deep and profound interpretation of a signature fragrance. Daisy Dream Forever embodies the youthful reverie and ethereal charm of Marc Jacobs' dream girl. Inspired by eternal blue skies that are infinitely reaching and never-ending, this is an elegant addition to the Daisy Dream family. Top notes of blackberry, grapefruit, and pear, give way to a heart of jasmine, lychee and blue wisteria, while white woods, musks and coconut water are at its base. Daisy Dream Forever is a fragrance that leaves a lasting impression.

MEDITERRANEAN MEDITATION

Bottega Veneta's new fragrance, Knot, conjures an escape to the Italian Riviera where lush hills hide a sanctuary that overlooks the sparkling sea. The bright, floral fragrance is meticulously layered, and offers an unexpected, delightful experience, with a unique identity that leaves a lasting memory. The Knot's bottle combines soft, rounded curves and powerful lines, and is inspired by Venetian glasswork and the traditional Italian carafe. An oro matte cap is its most distinctive design element. As the fragrance pays homage to the beloved Knot clutch, Tomas Maier designed the cap to echo the bag's iconic knot-shaped closure. The result is a vessel with the luxurious feel of the finest of jewellery.
